

REPORT ON ANNUAL GENDER SENSITIZATION ACTION PLAN

The college organization number of gender sensitization programmes throughout the year. The college conducts seminar, workshops, symposium to this effects. There are NSS, YRC, women empowerment shell, anti raging shell and grievances redressal shell to carry on sensitization programmes. The following facilities are given to the students.

Safety and security

The safety and security of the girl students and PWD students is given priority. A group of teachers are assigned the duty to oversee the complaints lodged by the students. Any student found gossiping, quarreling is instructed to go for reading in the library or to attend classes. Any obscene behavior seen among the students is seriously viewed.

Counseling of the students

In the mentor mentee system, the mentors have their guidance to every student. The proctorial classes are arranged with specific time table. In every month, they provide counseling to the students in both academic and personal matters. The women teachers are advised to take-up the problems of girls students and focus on them. Moreover, the women empowerment and sensitization in the form of seminar, workshop and awareness camps are organized to focus on the problems of weaker sections, women and victims of personal harassment.

Common room

Separate common rooms are provided to boys and girls. They are provided with toilets, other sanitization facilities and recreation facilities in the common rooms. In leisure hours, they can read news papers, magazine or play chess, table tennis, carom etc.

Workshop and seminar

The college plans to arrange a number of gender sensitization programmes through NSS, YRC, Women empowerment shell and equal opportunity sell. The institution has organized a number of such programmes during the year 2021-2022.

Equal opportunities in academic, cultural and sports

The women students are equally guided and given chance to participate in cultural competition, sports and other students representations. A separate set of games are organized for girls students and they are given opportunities to participate in it. They are encouraged to take part in dance, song, acting, recitation and panting. The scopes of equal opportunities in class room interaction, study tour, picnic, project work, room decoration etc are given equally as boys. The girl students are given opportunities to take lead roll in anchoring, well come song and other ceremonial occasions. They are given representation in IQAC, given redressal committee etc.
