

## **Gopalpur College, Gopalpur, Balasore** **Career Counseling And Employment Information Cell**

### **Brief History:**

Gopalpur College, Gopalpur, Balasore in the State of Odisha was established in the academic year 1978. The college was affiliated to Utkal University with 64 enrolment strength at I.A. stage. Later in the year 1987, it received concurrence and affiliation in Under Graduate Arts stream with 128 seats. Subsequently the college is provided teaching facilities in +3 Science from 1999-2000 Academic sessions and in +3 Commerce from 2003-04 Academic year. The College was transmigrated to F.M University from 1999-2000 Academic Session Employment Cell, an agency of job information is functioning in the college since 2005.

### **Students' Employment Information and Counseling Cell**

On demand from students side regarding their placement, Prof. Bijaya Kumar Das, the then Principal of the college convened a meeting of students representatives and teaching staff members of the college on date 28.10.2005 to setup an employment cell in the college. The sole purpose of this cell is to provide information regarding jobs in both private and public sectors and inviting employment agencies for counseling to the final year students for their placement. The student's employment information cell has been functioning in Gopalpur College, Gopalpur, Balasore since 28.10.2005

The cell for employment information and career counseling of students in Gopalpur College, Gopalpur, Balasore, Odisha works under the welfare scheme of the students whoever pursue studies in the college. The Students Employment Information and Counseling Cell aims at providing opportunity for entry in services.

### **Aims and Objectives**

Employment information Cell functions with a vision to facilitate the students for career counseling and make them capable of competing for a job. It aims at promoting the nature of students of the institution to strive as noble citizens of the nation. Since its inception in the year 2005, the employment cell has never failed in its mission. It maintains a separate office in the college campus. The undergoing programmes of the cell are as follows:

1. To assist the students to reflect on their aspiration, interest, competencies, personal attributes, qualification and ability to match these with available training and employment/ engagement opportunities.
2. To disseminate information about job recruitments in Govt. / Non Govt. sectors to the students and counseling for career building in professional and higher studies.
3. To organize seminars by inviting professionals, career consultants and job counselors on self employment.

4. To develop linkage with industries and entrepreneurship for providing placement to the students.
5. To provide employment information materials like employment news, e-information brochure and job information notices.
6. To issue printed books and journals to students for preparation for competitive examinations.
7. To determine the inner talent and domains of the students and prepare/counsel them and their parents accordingly for their success.
8. To encourage healthy spirit of students towards manuals of work culture and service opportunities.

### **Job Opportunities for the pass outs**

Since the inception of Employment Information and Counseling Cell in the year 2005, the UG-pass outs of the college have been established in Govt. and Non Govt. sectors by way of selection for jobs through recruitment. Some pass outs have also been engaged of self employment programs.
