ACTION TAKEN REPORT

Presented before IQAC, on- 10-12-2019

Academic Session - 2018-19

Honorable Members and Chair Person, IQAC Gopalpur College, Gopalpur, Balasore, (Odisha).

I take opportunity to present 'Action Taken Report' to the effect of the decision taken previously for your kind review and analysis in the IQAC.

1. As the resolution adopted earlier, the college authorities have taken steps to update College website for open access of the public and assessors as well.
2. The college has already been able to furnish one smart class room for e- access teaching, use of digital methodology and improved class room technique.
3. The college has already widened the scope to adopt more ADD- ON- courses for professional and skill based courses. Presently six courses such as Diploma in Agricultural Earning, Diploma in Old Indian Values, Diploma in Computer Application, Accounting and Income Tax, Certificate Course in Yoga Therapy and Human Health, Certificate Course in Spoken English and Interview facing Technique, Value added course in Teaching of Bhagabat Gita for Noble life and Personality Enrichment are adopted and utmost care has been taken to frame the syllabus.
4. The construction of Auditorium has already been completed and used for multi projected activities. This provides facilities for the accommodation of workshops and seminars.
5. It is to report that the Honours Department has been organizing Departmental seminars every month. So far as the mention is taken made, the departments have completed about 40 nos. of seminars this Academic year.

6. It is to report that all the faculty members have taken interest to organize remedial, proctorial and extra classes for the benefit of the slow learners'.
7. The activities of the Alumni Association have been speeded up and they have contributed the funds to set up college front garden and medicinal plants garden.
8. The close- circuit camera has been installed in the examination halls and at the entrance of the campus.
9. Use of Bio-metric Attendance for staff has been continuing from its day of installation i.e. August 2019.
10. The Reliance Telecom Company has installed the Wi-Fi devices in the college campus.
11. The eight number of new class room have been built in the campus out of Infrastructure Grant of the Government to accommodate Eight Honours classes of Arts and Commerce stream.
12. As the old Canteen is not well- accommodated the steps are being taken to construct a new College Canteen cum Guest House. The president of the college Governing body has already laid foundation stone for the purpose.
13. The Science laboratories have been modelled with proper setting and the purchase of new equipments out of Laboratory Development Grant of Rs. 10,00,000/- sanctioned from by Government.
14. The language laboratory has been developed with Network Resource Centre to facilitate the students to learn the technique of using language and interview facing technique.
15. It is informed that the Books of the College library has been separated between Degree and Junior Library. Degree Library has been automated with Library software.
